ICT ADVISORY No. 2003-01

To : All State Universities and Colleges (SUCs)

Subject : edu.ph Registration

This ICT Advisory No. 2003-01 is being issued to ensure 100% web presence of all State Universities and Colleges (SUCs) in the Philippines as required under Section 28 of R.A. 8792 better known as the "E-Commerce Act of 2000" and to be at least in Stage One of the United Nations-American Society for Public Administration (UN-ASPA) Five Stages of e-Government. This means that all SUCs must have a website that serves as a source of basic information available for the public.

1. Section 4 of the NCC Memorandum Circular No. 2002-01 issued July 11, 2002 enjoined all agencies including SUCs to register their domain name following the .gov.ph policies. The Philippine Government Internet Domain Names Policy can be accessed at <http://dns.gov.ph/policy.php>.
2. According to Section 1.G of the Philippine Government Internet Domain Names Policy, SUCs should register under edu.ph domain under the administration of Philippine Network Foundation Inc. (PhNet) which can be contacted at hostmaster@ph.net. Current registration fee is US\$40 or ₱2,000.00 per year. Registration is for a minimum of two years.
3. All SUCs that are already on-line are advised to coordinate with the Commission on Higher Education to have their websites linked to the CHED website: www.ched.gov.ph.
4. SUCs whose websites are temporarily lodged at the NCC eCommunity are advised to obtain their own domain name so that their respective website can be transferred to the Ayalaport/ePLDT for free hosting services until June 2003.
5. SUCs which are presently availing of the hosting services of NCC are advised to arrange for an internet service provider (ISP) in their locality to host their respective websites after June 2003.
